

DOING WHAT'S LEGALLY POSSIBLE TO CREATE A
JUST WORLD SINCE 1966.

All Roads Lead to Justice

Dear Friend,

In these challenging times, we're incredibly heartened by the community surrounding our cause, especially because you are a part of it. Together, we can accomplish anything and make a difference in the lives of our fellow Long Islanders.

Now more than ever, the threat of homelessness is affecting our community. Our Civil Unit and our Foreclosure Prevention Project remain committed to helping our clients maintain their housing. Our Public Benefits and Disability Advocacy Project will continue to advocate and ensure our clients have proper access to financial and service-related programs such as food stamps, Medicaid, public assistance, and Social Security benefits. Through our specialized units, we are here to assist Long Island's most vulnerable populations:

- * Veterans
- * Senior Citizens
- * Disabled Individuals
- * Those with Mental Illness
- * People living with HIV/AIDS
- * Survivors of Domestic Violence
- * Students with Special Educational Needs

Our Legal Support Center for Advocates is here to assist community advocates as a legal resource, so advocates may effectively assist their clients, thereby reaching more people in need.

Please help us rebuild Long Island by supporting our 2020 Commitment to Justice Campaign. Now more than ever and the months to follow Long Island's most vulnerable populations will need our legal assistance. We are looking to raise funds to help support our COVID-19 Legal Response Team. Please see enclosed donation form. For your convenience, you can also make a donation on line at www.nslawservices.org. For more information about the services we offer or to make a donation, please contact Cathy Lucidi, Director of Community Relations at 631 232-2400 ext. 3324.

Please stay up to date by visiting our website and following us on social media as we continue to "Do What's Legally Possible To Create a Just World". Thanks, as always, for your continued support of NSLS. We wish you and your loved ones safety, comfort, and our all our best as we face the months ahead together as a community.

Sincerely,

Jeffrey A. Seigel

SUPPORT NASSAU SUFFOLK LAW SERVICES AND OUR MISSION ALL ROADS LEAD TO JUSTICE: 2020 COMMITMENT TO JUSTICE CAMPAIGN

LET'S REBUILD LONG ISLAND COMMUNITIES TOGETHER.

The COVID-19 pandemic has created a severe financial crisis for many Long Islanders. Civil legal services are essential to making sure our neighbors have access to justice in cases affecting their basic needs--shelter, food, education and health care -- as well as COVID-19 related legal issues.

Walk the path of justice with us by symbolically adopting/honoring a NSLS Unit so we can continue to "Do What's Legally Possible to Create a Just World." Your donation will support the critical civil legal services Long Island communities need to thrive again. Thank you for making a difference in the lives of Long Island's most vulnerable residents.
